CITIZENS GROUP'S
CANDIDATES ARE
SWEEP INTO OFFICE

Davis and Marsh Elected To Board of Selectmen and Public Works Respectively—11,098 Votes Cast Here Last Monday—O'Leary Re-Elected Assessor—Beaudet, Dadmun and Mrs. Turner Chosen For School Board—Little Excitement Election Day

With clear skies overhead and perfect travelling conditions, in marked contrast to the previous week, a total of 11,098 voters went to the polls and cast their ballots for favorite candidates here last Monday. When final tabulations had been completed early Tuesday morning the results showed a sweeping victory for the Citizens' Committee candidates.

Davis Gets 6,782
Political observers were literally stunned by the results as a much closer fight had been expected. Forecasts had predicted a victory for Albert E. Hughes and the re-election of Edward T. Ryan with a slight chance for the rest of the Civic committee candidates. However, the results were startling and entirely unexpected in many quarters. Ernest W. Davis, chairman of the finance committee, defeated Albert E. Hughes for selectman by 2,777 votes. Davis receiving 6,782 votes. Loren W. Marsh, another Citizens' Committee choice was given a plurality of 2,084 votes over Edward T. Ryan, present member of the board of public works who sought re-election to another three-year term.

O'Leary High Man
John D. O'Leary, prominent real estate operator polled the highest vote in a contested office. He received 7,668 votes for Assessor while Peter F. O'Neill, his opponent, received 2,881. A much closer contest for this office had been predicted. All down the line, Citizens' Committee candidates received the highest vote over their Civic Committee opponents. What influenced the vote mostly is difficult to say. Disenchantment among the Democratic ranks was mentioned but it was evident that the Citizens' Committee machine was running perfectly and nothing had been neglected to insure the election of its candidates in a crucial year. Despite claims that party lines do not exist in town politics locally, it is generally admitted that the election of Loren Marsh to the board of public works changes the picture considerably since it swings the bal-

ance of power back to the Republican party. The Democrats still retain their foothold in the board of selectmen however. With this situation it is doubtful if any changes will be made at the town hall this year.

Vote Disappointing
Although over seven hundred new voters had been registered before this election and although perfect weather conditions prevailed last Monday, the turnout was smaller than that of two years ago. Last year, when there were fewer automobiles carrying voters to the polls 10,853 votes were cast. In the town election in 1932 a total of 12,184 cast their ballots which was far more than this year. Once the voters cast their votes, they paid little attention to the election. Few hung around the polling places and the police detail assigned for special duty had no difficulty in handling the situation. A mere handful of supporters remained at the Town Hall to get the final returns late Monday night and early Tuesday morning. Had the Civic candidates been successful more excitement would have been seen, but as the hours rolled by and a Citizens' victory seemed assured, the Civic group supporters walked away.

Next Sunday

A full house for the second concert of the Community Symphony Orchestra in Robbins town hall next Sunday afternoon at 4 o'clock was predicted last night as the advance sale of tickets points to an even larger audience than that which attended the first concert.

Leonard Wood, conductor of the orchestra has arranged a brilliant program which promises to surpass the first concert in popularity. "Sage No. 7", a composition of Allen Hovanes of this town, will feature the concert.

Three Named
For Jury Duty

The names of three local residents were drawn by the board of selectmen last Monday evening for jury duty. Those who will serve are:

Joseph C. Ohlund, 35 Newland rd, first criminal session at Cambridge starting April 2; J. Boyd Hatch, 16 Linden st, second criminal session, Cambridge starting April 9; Joseph F. Bourgeois, 46 Sherborn st, first civil session, Cambridge April 2.

The board re-appointed Dr. Chester L. Blakeley as inspector of animals for the year ending March 31, 1935.

One Injured As
Street Car And
Automobile Crash

One person was injured and an automobile was damaged when the auto struck a Boston Elevated street car outside the Heights car barn early last Sunday morning.

The auto was operated by Camille LeBlanc of Fitchburg while Frank C. Sullivan of Cambridge was in charge of the street car which was outbound and making a left turn to enter the loop when the accident happened. Sanelma Palonen, age 20, of Fitchburg was rushed to the Symmes hospital to be treated by Dr. Dan W. Shea for lacerations on the left cheek. The automobile was going toward Arlington.

Auto Crash Sends
One To Hospital

One person was injured and two automobiles were damaged in a collision which took place in front of 24 Summer st early last Monday morning. Catherine Coughlin, of 76 Pierson rd, Somerville was cut about the head and knee and taken to the Symmes hospital for treatment.

The autos, both of which had to be towed to a garage following the accident, were operated by James W. Shaw, of 15 Grove st, pl, Arlington and Arthur F. Conley, 40 Bradbury ave, Medford.

"DADDY LONG LEGS" AT
TOWN HALL TONIGHT

Everything is in readiness for the presentation of "Daddy Long Legs" at the Robbins town hall tonight and tomorrow night for the benefit of the Arlington Girl Scout Council. The play is being presented by a picked cast of Friends of the Drama Players, Arlington's foremost dramatic group. Miriam Hendrick Cahalin is coach.

To know that Miriam Hendrick Cahalin is to coach the play is, to an Arlingtonian, to be assured that it will be worth seeing from a histrionic standpoint, aside from the merits of the play itself. Mrs. Cahalin is a graduate of Leland Powers School, and besides being a well-known reader, she has often taken part in plays given by the Woman's

club, the Friends of the Drama, and other organizations. She is now considered one of the best dramatic coaches in Arlington.

Among the many plays which she has coached, three are outstanding: "Skidding", "What Every Woman Knows" and "From Nine Till Six", the last mentioned being given for the dramatic day of the Arlington Woman's Club in 1932. Mrs. Cahalin is untiring in her efforts to have every detail correct.

She is greatly pleased with the work being done by the admirable cast chosen for "Daddy Long Legs", and is especially enthusiastic over the five scouts, who appeared at the first rehearsal with all their lines learned. "They are," she says, "perfectly adorable."

150 ATTEND SAGAMORE
UNION RALLY IN ARLINGTON

Nearly 150 enthusiastic Endeavorers attended the March rally of Sagamore Christian Endeavor Union at the Arlington First Baptist Church when among the Pastors present were Rev. Grady D. Fearan of Arlington First Baptist, Rev. Ralph Palmer, Arlington Heights Baptist, Rev. Edward G. Ernst, South Medford Union Congregational, Rev. George A. Merrill, the new pastor of the Montvale Congregational, and Rev. William Murphy, Jr. of Reading who gave the address.

The Devotionals period was built around the theme, "The World for Christ" and was in charge of Miss Ethel B. Reid of North Woburn, assisted by James Graham of Woburn as song leader and Miss Alice T. Sumner of Lexington, pianist. Miss Irene Freeman of Arlington Heights contributed a poem. Rev. George Merrill offered the prayer. A splendid duet was given by Miss Marie Wendt and Fred Gilbert of North Medford who sang the hymn, "Face to Face."

President Ann F. Winning of Medford Hillsides presided at the meeting, during which Miss Charlotte Goddard, President of Middlesex County Christian Endeavor Union and Everett Greives of Malverett Union brought tidings of the coming 19th of April County Convention to be held in the Maiden Baptist Church.

Nathanial W. Trull of Lowell, Vice President of Massachusetts Christian Endeavor Union brought greetings from the State Union and urged all to attend the "Stunt Night" program to be held on March 15th at the West Somerville Congregational Church on College ave.

Societies were urged to support the Sunrise Services which are to be held Easter Sunday morning as follows: Woburn District on Rag Rock at 6 a. m. in charge of Miss Ethel B. Reid; Arlington District at the Standpipe at 7 a. m. in charge of Stanley Godwin; Medford District on Pine Hill at 7 p. m. in charge of Mrs. Isabel Anderson.

Fine speakers will add to the inspiration of these meetings and trumpeters will send out the stirring call.

The banner was won by the Montvale Congregational Society, the Shield by the Woburn Congregational, with the West Medford Baptist Adult Society coming in for third honors.

Rev. William Murphy, Jr. of Reading gave an inspiring address on the topic "P. E. P.", bringing out the thought the Perseverance and Enthusiasm rightly directed would bring Power,

thus making young people a real force for right in the world of today.

The meeting closed with a social hour in charge of Nathanial W. Trull of Lowell.

Will Recommend Appropriation of \$2,230,987.23 At Annual Town Meeting—Nearly \$23,000.00 To Be Appropriated For Town's Share of County Hospital Expenses—Six New Streets Recommended—Favors Sale of G. A. R. Hall—Sunday Sports Opposed—Report To Be Made at Town Meeting

With well over two million dollars to be appropriated at the annual town meeting, March 21, Arlington faces an increase of two dollars in its tax rate this year. Last year's rate was \$30.40 per thousand and was based on a property valuation of sixty million dollars while this year the valuation will likely be reduced to fifty-nine million.

The Finance Committee, after a series of meetings, during which town expenditures were carefully studied will recommend the appropriation of \$2,230,987.23 at the annual town meeting, the NEWS learned this week. Of this amount \$22,770.54 will be the town's share this year for the County hospital in Waltham, an item which comes in the warrant for the special town meeting to be held on the same evening as the annual assembly. No appropriation for tools and equipment to carry on CWA work will be recommended since the CWA program is to be abandoned shortly. The action of the selectmen in accepting the G. A. R. Hall will be ratified and confirmed upon recommendation of the Finance Committee.

Other Recommendations
For town outlays and expenditures for the year 1934, as called for in Article 4 of the annual warrant, the Finance Committee will recommend appropriations totalling \$2,023,085.91 which includes all expenses of the many departments, while \$185,139.78 will be recommended for streets, etc., asked for in other articles. These sums are to be raised by general taxation.

Schools and welfare will require a good share of the total appropriations for outlays and expenditures. The Finance Committee will recommend \$673,130.00 for school operation and \$128,200.00 for Public Welfare which includes, besides administration, welfare aid, and aged citizens' assistance. For interest the Finance Board will recommend \$93,000 as compared to \$102,061.16 recommended last year.

New Street Work
The Finance Committee will

recommend \$13,500 for the reconstruction of Mystic st and \$4,500 for Summer st. The State and County are expected to give financial assistance on these two streets also. The laying out and accepting of Bailey rd, Burch st, Gloucester st, Phillips st, Scituate st and Sunset rd at a cost of \$52,940.76 will be recommended. Alterations on Appleton st pl at a cost of \$6,582.82 will be recommended. Finally the Committee will recommend \$23,020 for employment of the poor through the Arlington Unemployment Committee under the supervision of the selectmen. This sums up the recommendations insofar as appropriations are concerned.

Would Sell G. A. R. Hall
Several articles relating to G. A. R. Hall inserted in the warrant with the hope that the hall might be retained by the town, repaired and then turned over to veterans' organizations as a permanent memorial building, all have received adverse reports from the Finance Committee and it will be recommended that the building be sold immediately.

The Finance Committee will recommend reducing the number of Town meeting members. Civil Service for the fire department will be recommended but the Committee will oppose the placing of all town employees under Civil Service as requested in Article 40. Day sports will be opposed by the committee but sale of foodstuffs on Sunday will be recommended.

Published every Friday by Arlington News, Inc., at 793 Massachusetts ave., Arlington.

WHAT ABOUT THE FUTURE?

Is it possible that American citizens, in another ten years, will have accepted a program which makes the citizen exist as a tax-paying machine for the benefit of government, or will we get back to the fundamental doctrine of our country that government exists for the individual, and that our public officials are servants and administrative officers of the people, rather than their overlords and masters?

Will the day come when an American editor fears to criticize government, and will the day come when our government can censor the opinions that editors express to their readers, as seems to be the case in such countries as Germany, Russia and Italy?

It is high time the American people bore these dangers in mind.

A SALES TAX IN MASSACHUSETTS

While nineteen states have resorted to the sales tax in one form or another as a last-ditch means of increasing revenue, Massachusetts has rejected this expedient year after year. Oregon and North Dakota have defeated sales tax laws by referendum. The levies now operative fall into the general categories of retail, manufacturers and general sales tax.

They are for the most part temporary expedients, with a proviso attached that they are to expire in a year or two. Practically two-thirds of them will become inoperative in 1935.

Since the depression the sales tax has been entered each year in the Massachusetts Legislature, this year with the urgent backing of Governor Ely. Yet indications are that it will again be defeated.

There is one vital difference between this and other forms of taxation, a difference that so far has prevailed upon Bay State legislators against all favorable arguments. Falling as it would upon the man who buys bread as well as upon the man who buys a Rolls Royce, it departs from one of the criteria laid down for a good tax, namely, capacity to pay.

This means that the sales tax is numerically unpopular. And legislatures generally have shied away from it unless compelled by the failure of all other revenue sources or by the presence in their states of real estate interests more powerful than retail and consuming groups. The states' extremity is the sales tax's opportunity.

Massachusetts, because of efficient financial management, has not reached that condition of financial distress that seems to constitute a prerequisite of the sales tax. Although real estate is already millions of dollars overtaxed, Massachusetts legislators are probably not prepared to invite reprisals from the retail groups and the numerous wage earners in the industrial centers by taxing the necessities of life.

With the public confronted by rising prices and lagging wages, perhaps it is just as well that the Massachusetts Legislature avoids placing an additional burden on the retail groups, if they should absorb the tax, or on the buyers if it should be passed on to them.

The appearance of recovery presaging restored profits, suggests that it will be just as well to stick to the rule of "capacity to pay."—The Christian Science Monitor.

THE NEWS OBSERVES

For his seventeenth consecutive year, Alfred W. Lombard is chairman of the Board of Health. Congratulations! The board organized last Wednesday. Monday's election apparently took little time to show after-effects in the Public Works department. John J. Sullivan, stock-keeper at the town yards and John L. Pichette, head of a Sanitary department, both conscientious workers, were reported to have resigned. Upon questioning, the NEWS learned from the Public Works office that the two men were "on vacation."

The disposition this week of the Somerville case in which three people were killed when a fire-truck went by a red light and crashed into an auto is quite interesting. In Arlington for the past three years the rule has been that no fire apparatus is to be driven past a red light unless a police officer is at the intersection to give the fire truck the right of way. Autoists might be interested in this.

The happiest man in Arlington last Tuesday morning, Ralph Adams! Incidentally, he was elected chairman of the Public Works Board when it organized last Tuesday afternoon.

With snow melting away faster than culverts could take care of it, Lowell st was hard hit early this week. The brook running under the street could not take the overflow and water rushed over the roadway so that auto and pedestrian traffic was blocked.

Don't expect mail on Wednesday afternoons from now on. Because of a new economy measure mail deliveries on that afternoon have been curtailed.

Isaac Sexton, of 59 Bartlett ave., holds the distinction of being the oldest male resident of Arlington today. In recognition of the honor he was presented the Boston Post came by Former Selectman Arthur P. Wyman and Town Clerk E. Caroline Pierce this week. Mr. Sexton will be 93 next August and feels "great." Congratulations!

Arlington was besieged by a small army of detectives last night—but don't be alarmed—the plain clothes men were here for the purpose of organizing a Massachusetts Detective Association at the invitation of Lieutenant Al Ryan. You'll hear a lot about this group.

Eddie Shore, Tiny Thompson and Peg O'Neill of the Boston Bruins were the guests of Arlington Kiwanians at luncheon yesterday. Unfortunately, the boys were not allowed to speak.

Brig. Gen. Daniel J. Nedham, head of the State Police and Dr. Frank Nowak, noted Professor of Slavic History at Boston University, were other prominent celebrities in Arlington this week. Arlington is certainly getting its share of attention.

Junior Women's Club Presidents' Day On March 19

The Junior Women's Club will hold its Presidents' Day, March 19 at 7.45 o'clock in the First Baptist church. Women's club presidents and their advisors from twelve towns will attend. The play "Columbine" will be presented at that time and judged by the State Federation officers.

Other entertainment listed for the evening is a string trio: "The Co-eds," popular Arlington singers, and the club chorus. Refreshments will be served.

At the regular club meeting held last Monday evening in the

Robbins Library hall, Dr. Helen McGillivuddy, social hygienist, was guest speaker. Dr. McGillivuddy spoke on the "Children of Today". She understands modern young people and can talk freely with them on any problem with which they may confront her.

Ruth Olive, guest soloist, was accompanied by Linea Osterlund. She sang "When you Look into the Heart of a Rose," Nethoven and "Greetings," words by Stanton and music by Hawley.

News of the Local Girl Scout Troops

After a vacation of two weeks troop 1 decided to work extra hard in order to accomplish all its plans for progress. Priscilla Eaton, patrol leader, acted as captain last Monday. The color bearers and guards, Ruth Hendrickson, Eilora Levi and Helen Hamilton spent some time improving their work.

Another candidate, Virginia MacArthur, has applied for admission to troop 1 and the troop is glad to welcome her. Betty Padou, a recently invested Scout, has asked for a transfer to New York where her family will reside.

Barbara Moore has been appointed troop reporter to succeed Priscilla Estabrook.

The new patrol leaders for troop 2 are Martha Benway, Betty Nicoll, Evelyn MacIver, Patricia Marden and Marcia Wetherell. Their assistants or seconds are Ruth McKeown, Dorothy Campbell, Paula Pitka and Priscilla Dick.

Betty Ross is the only member of troop 2 to enter the conservation contest. Don't forget to enter your name.

Classes in home nursing are being held with Mrs. L. W. Eldredge, a new worker in Scouting and Housekeeper with Mrs. Gordon Benway, troop committee member.

The child nurse merit badge group that has been studying with Miss Georgia Homer completed the work on Wednesday with an examination.

The troop learned several Swedish Folk Dances and some American singing games.

General second class review games were played.

Next Tuesday evening Troop 6 will meet and during April the photographer's badge will be carried out as a project.

Captain Martha Barr suffered a relapse and is still confined to her home.

Troop 7 welcomed Mary Dodge back to meetings after her month's stay in Florida. Mary missed the fun during the blizzards but gained from her trip.

All classes are working extra hard to finish badge work for the April rally and Father and Daughter Banquet.

The girls of troop 10 sympathized with Captain MacKusick in the loss of her mother on Monday. Every girl in the troop knew Mrs. Allen as a friend and her going was deeply regretted.

After a lesson with Mrs. Gleason in home nursing the girls disbanded to distribute the Daddy Long Legs' fliers throughout their assigned section.

It is hoped Captain MacKusick will be present next Monday.

Troop 13 girls will usher and act as candy sellers at the play "Daddy Long Legs" tonight and Saturday at the Town Hall.

Marcia Kidder, general chairman for the dance in April, received reports from the various committees on Wednesday evening and it was decided that every girl who sold her quota of "Betty Eites" would have her registration fee paid.

Lieutenants North and Hayes were in charge of the meeting.

Marionettes For Friends of Drama

In response to the request of a number of members, Marjorie Manning has secured a "troupe" of Marionettes for the monthly meeting of the Friends of the Drama next Thursday.

The operators are three Massachusetts Art School graduates who have given a number of performances under the name of "The Jolly Capers." The production which they will give will be Anatole France's "The Man Who Married a Dumb Wife."

It is expected that there will be an unusually well attended meeting to greet this innovation. Members are permitted to bring guests.

A very enthusiastic group of men and women attended a meeting at the Robbins Memorial Library Thursday evening under the auspices of Sachem Council of the Boy Scouts of America for the purpose of discussing Cubbing.

L. Leland Dudley, chairman of the Personnel Committee told of a training course on Cubbing which the Council plans to conduct next month and invited those present to take part.

Welfare Council Benefit Tuesday

Next Thursday evening, at the Robbins Memorial Town Hall, the Welfare Council will show in motion pictures, the activities of the Civilian Conservation Corps in the various Massachusetts camps, and an informal talk by

Robert Parmenter, State forester. Included in the evening's entertainment Mrs. Parmenter will show pictures of her travels in Labrador.

Not only will those attending have an enjoyable evening, but will be backing a good cause, as the proceeds will go to cover the cost of operation of the Council office for the year.

Insists On Being
Arrested; Officer
Finally Obliges

Arraigned in the East Cambridge court on a charge of drunkenness, Andrew J. Dwyer, of 995 Massachusetts ave pleaded guilty to the charge yesterday. The case was continued until March 26.

According to Police Officer Maurice Scannell, Dwyer approached him last Wednesday "very much under the weather" and insisted upon being arrested. The officer failed to oblige. Dwyer then, according to Officer Scannell, threatened to smash a show window in a Massachusetts ave store. Walking down the avenue, Dwyer changed his mind, picked up an ash can in front of the Visiting Nurse office and was just about to hurl it at a windshield of an automobile pulling to the curb when Officer Scannell stepped up and gave the can a glancing blow. The windshield was saved and Officer Scannell obliged Dwyer by placing him under arrest.

Supporters of House Bill 7986 which is now before Congress and the purpose of which is to amend

the Radio Act of 1927 so that no person, corporation or association owning and operating a radio station can discriminate against various parties, religious organizations, or candidates for office, have expressed an optimistic outlook on the bill. Already 2,416, 161 have signed the petition urging members of Congress to vote favorably on this bill. Supporters of the measure urge the public to get in touch with their Representatives and Senators asking them to vote for the measure.

The bill provides that a fine may be imposed on radio stations which discriminate against parties, religious organizations or other groups in refusing to allow them to broadcast their own views. "Freedom of the Air" is the aim of the bill.

SEA GULLS

Sea gulls with their outspread wings
Are hardy birds and bold.
They do not fear what winter brings—
The snow storms and the cold.
Unlike the birds that southward fly
To circle round both low and high
Throughout the winter's stay.
Companionship they seem to wish,
We see them settle on the ground
A family group in search of fish
Upon the Mystic's tide.

We see the missettle on the ground
From our house on the hill
For bits of food that may be found
Where dumping is for fill.
Depression and the N. R. A.
All those familiar words
We hear so much about today
Do not affect these birds.

The simple life—the sea gulls quest
No featured fame or gold;
To fly, get food and then to rest
Their story briefly told.

MEASLES

Almost as many children die from Measles as are killed by automobiles. Measles is one of the commonest diseases of childhood, one of the most communicable, and, therefore, the hardest to control. This is Measles season, and for the sake of your own child, please pay heed and be guided by the following:

1. Symptoms: Measles begins as a head cold. At the onset there is almost always a "running" nose, the eyes "water" and may be sensitive to light.
2. Measles is a very serious disease in small children.
3. Measles is most contagious before the rash appears.
4. Do not send a child to school with fever or head cold; make certain there is no possibility of communicable disease.
5. Always call your Doctor if you suspect Measles.
6. Never deliberately expose a child to Measles.
7. As long as there is fever keep the child in bed and avoid chilling as Pneumonia is a common and very serious complication of Measles.

To the Editor of the News
I desire to take this opportunity to thank the 5,110 voters for their support of my candidacy for re-election to the School Committee. Although defeated, I am neither disappointed nor downcast, but proud of the opportunity to have been able to serve our town in the past three years.

I believe that my supporters were aware of my efforts in behalf of same economy and fair play to keep the Arlington school system at a high standard of efficiency during these trying years. Having been actively interested in the affairs of the School Committee I will await with much interest the future developments of uncompleted business and the manner of its disposal.

I congratulate my successor and hope that he will readily and capably grasp and master the problems which he is sure to meet.

Sincerely yours,
JOSEPH J. BEVINS

Arlington, Mass.

Dear Sir:
I wish to thank you for the many courtesies which you extended to me in our recent campaign. Will you please give the following note, suitable position in your next issue.
It is a great pleasure to extend my sincere thanks to each and every one of the many agencies which contributed so largely to the success of the campaign of the Citizens' Committee.
The splendid vote which I personally received brought with it a very keen appreciation of the serious problems and also a consciousness of the wide privilege thus extended, for me to be of service to the whole town.
It will be a pleasure to give my whole-hearted services in the trying readjustment period which is before us.
Sincerely,
Loren W. Marsh.

You are very welcome, Gwendolyn. The rules are not difficult and you will enjoy keeping them. In being kind to your parents, your sister and everybody, you will be doing much to spread Sunshine. It is easier by far to be kind than disagreeable, and you will be the happier for it. Write frequently Gwendolyn and describe how you enjoy spreading Sunshine and doing good deeds.

With The Kiwanians

President "Al" Cowie was the busiest man at the meeting yesterday playing host to the many invited guests. First, Mrs. Harold B. Wood asked for the support of the Kiwanis Club for the coming concert of the Community Orchestra. Then Walter Ingram from Kiwanis International was the guest of Spin Wunderly. Also, guests of Al Cowie were Del Jones and William Bradley of the State Department of the Division of Standards. Some very special guests were Eddie Shore, Tiny Thompson, and Peggy O'Neil, members of the Boston Bruins. Jim Keane and Doc Beaton of the Program Committee, who also were hockey stars, (in the gay 90's) were responsible for the presence of these celebrities. Because of their contract they were unable to address the club on any matters pertaining to their profession. They all did, however, say a few words. Eddie Shore commented on our singing—not so much on the quality—but on the volume. We also made the discovery that our member, Len Roberts, was also a former hockey star in the University of "Skowhegan," which accounts, no doubt, for his hair falling out, due probably to the state winds up in that section.

A presentation of vocational guidance books was made to the Junior High schools by F. P. Hawkes. He gave them to William Power, principal of the Junior High East, and also sent one up to Mr. Matthews, principal of the Junior High Centre. Dr. C. H. Dempsey, principal of the Arlington High school addressed the club, emphasizing the value of these books, going into detail in a very efficient way. We now realize that we have the best schools in the state.

Universalists Get-Together
An old-fashioned get-together baked bean supper was enjoyed by a large group of Universalist Parish members, on Wednesday, at the church. This was followed by an entertainment, "Ye Village Skewl of Long Ago," put on by the so-called "Faculty and Alumni of the Turkey Hill District Skewl." Needless to say, the costumes were picturesque; the dignified inhabitants of Turkey Hill taking the parts of school boys and girls, with the "Master," committeemen, and parents in character costume. The play was coached by Mrs. Norman Griffin.

QUERIES SELECTMEN

What was the matter with George Lowe and Leonard Collins during this last campaign, were they afraid to back their party. Mr. Mitchell came right out and fought for the Civic Committee, our regards Mr. Mitchell, again would say what was the matter with Lowe and Collins.

Needham Urges Speedy Trial And Punishment

"The only way to stop criminals is to apprehend them and punish them so quick and so severe that it will drive out of them any other legitimate field," Brig. Gen. Daniel Needham, Commissioner of Public Safety, told a large gathering at the Chamber of Commerce dinner in Wyman's Tavern last Tuesday evening.

The State police head gave a lengthy talk on the need of better police organization throughout the State in order to curb crime. "I feel relieved to have the Millins in jail, it's bad enough to lose your guns but much worse to lose the prisoners," was the only reference Gen. Needham made of the case which was expected to be discussed at the dinner.

He praised Arlington for its excellent radio service and efficient police department and stressed the need of similar organization for the entire state. Criminals depend fundamentally on speed today, he said, and the police must be prepared to cope with this technique which makes crime no longer a local problem. Proper training of police officers is also necessary, he said.

Today we have 123 police departments all over the state without slightest co-ordination except that willingly given, Gen. Needham pointed out, in outlining his plan for a State Commission which would have some supervision over all police departments especially in time of emergency.

B. U. Professor

Speaks On Russia Introduced by Mrs. Curtis Waterman, Dr. Frank Nowak, professor of Slavic History at Boston University gave a most interesting talk on "Affairs in Russia" at the Searchlight Club meeting in Robbins public library last Wednesday afternoon. "Russia looks upon Communism to protect human rights; it is a protest against inequality in economic fields," the speaker said. Its purpose is to make Russia economically independent. There is no unemployment in Russia today and people there make money in order to spend it, Dr. Nowak remarked. There is no competition. Religions are permitted but so ridiculed it is difficult to cling to a religion. Churches are made over into scientific institutes where they portray the evolution of society from the Karl Marxian point of view. Soviet trials are informal and justice quickly meted out, the speaker said. Dr. Nowak urged his listeners to keep an open mind on Russia and to study it as the first real trial socialism has ever had.

Arlington High Drops Game To Strong Woburnites

Coach Bill Lowder's Arlington High hoopers dropped another game last Friday in the new high school gym to the strong Woburn High quintet. Woburn practically assured itself of an invitation to the Tech tournament by its 21 to 10 victory, 1 1/2 thirteenth straight win this season.

Woburn caged nine out of eleven possible shots from the foul line and outshot the local four from the floor. Peterson and O'Brien led the scoring for the visitors. O'Brien, local forward was the only Arlington player to score more than one basket and was responsible for six of Arlington's points.

The visitors had little difficulty in hanging up a 24 to 17 victory over the Arlington Seconds. The summary of the first team game:

Arlington A. A. Loses Close Game To Chelsea Club

The Arlington A. A. lost its third game of the current season to the Chelsea Y. M. H. A., 33-30 at Chelsea High school.

Despite the strong home team the Arlington A. A. put up a stubborn battle and it was not until the final minutes of the game that Chelsea was able to break away for the deciding points. Joe Donahue had one of his good nights and scored 12 points most of which came in the first half.

The game started off as though Arlington was going to walk off with its opponents and they piled up a comfortable lead of 14-6 at half time. The fans were with Arlington as much as Chelsea and as a result a clean game was played. The second half was a disastrous one for Arlington. Their passing was missing at spots and they allowed Chelsea too much leeway and eventually Chelsea tied the score and the last period saw the most exciting part of the game with the score nip and tuck all the way until Fineburg scored two baskets in the last two minutes to win.

Eddie Galucci was still ailing from a sprained wrist and his scoring ability is greatly missed. Joe Goodwin was in uniform for the first time in weeks due to an injured ankle. As per usual Bob Friery and George Lowder had to bear the brunt of the defence with John Driscoll playing a whale of a game to keep the star of the Chelsea team, Rice down to 4 points the entire game.

Sport Briefs

With the passing of the A. H. S., basketball season "Lefty" Lowder has done a pretty good job with the material and next year with all these sophas back watch them go.

The Arlington A. A. travels to St. Plus of Lynn Saturday night for its fifth annual game. Arlington has yet to bring home a victory but expects to do that tomorrow night.

Arlington Collegians playing hockey can compose one of the strongest sextets in this vicinity. Nickerson, goal; Lane and Duffy in the defence; Lax, Shean and Rowe in the forward line will give a team a real battle.

Lax and Rowe were named co-captains of B. U. More power to them. Lax is one of the outstanding players in New England. Rowe is not far behind.

A basketball tourney will begin next week in Medford with Medford, Arlington, Cambridge and the Somerville league winners participating.

There won't be many of the Boston Bruins left for next season when Art Ross gets through with them this year. No doubt Eddie Shore's banishment had a lot to do with the team's misfortune but there are too many slow skaters for a major league team. Lamb, Stewart, Barry, Clapper, Thompson and Shore are probably the only ones to remain.

Brud Clarke will probably join the A. A. forces in basketball next year and he will make a valuable acquisition. Charlie Crocco will no doubt endeavor to get him to play.

Arlington Man Appeals Fine For Drunken Driving

Paul Ward, 26, of Trowbridge St. Arlington was found guilty in Somerville District Court, of charges of drunkenness and operating an automobile while under the influence of liquor. Judge Malcolm E. Sturtevant imposed a fine of \$10 on the first charge, and of \$100 on the second. Ward, who pleaded not guilty to both charges, appealed, and was held in \$600 for the Superior Court.

Ward is alleged to have taken a taxi cab with two passengers from in front of the Magazine A. A. in Cambridge. The driver, James Hordorn of 22 Bigelow St. Cambridge, left the taxi, and when he discovered it was gone, telephoned Cambridge police, who notified Somerville police.

Patrolman Thomas Flanagan of Somerville hailed the taxi at Broadway and Marshall sts. Somerville, and on questioning Ward, arrested him. The two passengers in the taxi cab, both residents of Somerville, were unaware the machine had been stolen, but were of the opinion, police say, that the regular driver was operating the machine.

Local Youths Are Elected Co-Captains Of B. U. Ice Team

John Lax and Paul Rowe of Arlington, who have played together on hockey teams for the past nine years, were named yesterday co-captains of Boston University's varsity sextet for next winter.

The co-captaincy election is the first in the history of Boston University athletics. Lax and Rowe started playing together at Junior High Center School in Arlington, later starring on the Arlington High sextet, the B. U. freshman and the B. U. varsity. Herman Nickerson Jr., also of Arlington, captained the B. U. Freshman team and has been a teammate of theirs on the Terrier varsity.

The two Arlington co-captains elect will lead five of the six veterans back for another year of varsity hockey. The team climaxed its season with six straight wins this winter.

Art Lane Scores As Princeton Loses

Art Lane, former Arlington High ace and captain of Princeton's hockey sextet scored one point in the close contest between the New Jersey University and Dartmouth College last Saturday. Lane's tally came in the third period, the fastest of the entire battle.

The 4 to 3 victory for Dartmouth gave the Big Green a leg on the Hobey Baker Memorial trophy.

RKO KEITH'S THEATRE

Latest Pathe News, Haydn at the Wurliizer, and an amusing comedy are other features on the program with "It Happened One Night."

News Received Answer To Letter Sent Murder Victim

Police seeking a motive in the mystery killing of Joseph Arborea of Bridgeport, Conn., in a parked car in New York city early last Saturday, searched Arborea's rooms in Bridgeport and discovered among other things the envelope of a letter bearing the return address of Miss E. Whatmough, 198 Broadway, Arlington. The letter, contents of which were not found, was mailed from Boston on Nov. 29. Efforts to trace Arborea to Nashua, N. H., proved fruitless. The best information police secured was that Arborea went to Nashua 17 years ago to stay with relatives on his arrival from Valencia, Spain, leaving shortly thereafter to locate in Bridgeport, where he lived off and on ever since.

Miss Evelyn Whatmough, a maid at 198 Broadway, says she met Arborea in Bridgeport but that she had not seen him for about a year. She came to Arlington eight months ago.

A short time ago Miss Whatmough said her mother, who lives in Easton, wrote her that Arborea had requested "Mrs. Whatmough" to ask her daughter to write to him. Miss Whatmough says she did but did not receive a reply.

Arborea, Miss Whatmough says, was engaged in construction work in Connecticut and she believes he has a brother in Bridgeport.

The first of a series of four Union Lenten services was held last Sunday evening in the First Baptist church. In his sermon, Rev. Rubens Rea Hadley said "Seeing Our Leader is an important Lenten duty. We cannot see our Master as his disciples saw him nor interpret his leadership as they did. We have to see our leader in the life of America more than nineteen centuries later. We must see what kind of leadership is going to lead us out of the wilderness of class conflict. The question of social minded leadership is one of the most acute problems facing modern society everywhere, in Manhattan or Manchukuo. Put your finger down anywhere on the globe and if you can tell us what the emergent leadership is going to be there you can write the future history of that land today. We discuss dictators and paternalistic methods of social salvation. Our world needs the dictatorship of an aroused Christian conscience."

The Russians have a name for it!

They call it The Five Year Plan.

Uncle Sam calls it The New Deal.

We don't care what you might name the following plan but it has been in
operation since the first little pig went to market.

Most families make their food purchases on Saturday for their Sunday din-
ners. Usually they stock up enough of odds and ends to last them throughout the
week.

Any market man will tell you that this is so. Any Market man will also
tell you that his volume of business on Saturday alone is equal to the sum of the
other five days in the week.

Is it any wonder then that the stores are crowded on Saturday?

You can help yourself and the food business if you adopt the following plan:

Wherever you may be trading now won't you give the boys a break?

Telephone your order Friday afternoons for early Saturday delivery. If you
have no phone why not drop around Friday and pass your order over the counter?

In this manner you help to eliminate congestion on Saturdays.

Incidentally you also receive the best that any store has to offer. You get
first choice.

Jr. High School Helps Guidance Says Dr. Dempsey

Speaking before the Kiwanis club in Wyman's Tavern yesterday afternoon, Dr. Clarence H. Dempsey, superintendent of schools stressed the value of Junior High Schools in guiding pupils for later life.

The Junior High School is an American institution and unlike other educational institutions it was not brought from the Old World, he said. Its purpose is to give the type of education the pupil needs and as much of it as he can absorb. It aims to acquaint the young pupil with activities in life and can best deal with the different types of problems. The Junior High School is bound to progress and develop, said Dr. Dempsey.

William D. Power, principal of Junior High East and Dr. F. P. Hawkes, of Junior West were present. Because of illness, Principal John O. Matthews of Junior Centre was absent. All three principals received a set of books on vocational guidance from the Kiwanians.

Henry E. Keenan Expresses Thanks

To the Editor of
Arlington News
Arlington, Mass.
Dear Mr. Editor:

I wish to express to you my thanks and appreciation for the support given me editorially in my recent campaign for the office of Planning Board in this town.

I would also like to thank the citizens of Arlington for their generous support in my first attempt to gain public office in Arlington. My only regret is that this election did not afford me the opportunity to serve on this Board in harmony with its present members for the interest of all.

Yours very truly,
Henry E. Keenan

Looking Inside

Election is over. Were you one of the ones who did his civic duty and voted. Hope so—if you did not quit finding fault with the way your Town is run. By the way, jokingly I suggested to a group of people last Monday that the way to get out the vote would be to make it cost something if people didn't vote. I suggested that men be assessed a \$5 poll tax and women a \$3 poll tax and that each would be allowed a \$3 rebate if he voted at his local election. The sick to be exempt of course. Would that bring out 99 44/100 percent of the vote?

The candidates of the Citizens' Committee all seem to be elected by good margins. The vote by precincts especially in the so-called Democratic districts is interesting when viewed in relation to that of last year. The candidates of the Civic Committee lost ground in nearly every Precinct. The only person endorsed by the Civic Committee to win was unopposed in the election and so great was his joy at his victory that his celebration landed him in the cooler.

Will this election make any great difference in the management and running to Town affairs? Well, in the Board of Public Works it ought, and it is expected, that it will make a whole lot of difference. A lot of people were appointed to jobs in that department from the Superintendent down, for political reasons only. I look to see a new Superintendent (understand he has the promise of a good job with a road oil Co.), a new Clerk of the Board, a new head of the Sanitary Division, Stockkeeper and Garage

Foreman. However as to the others let me say this, I do not believe that anyone who is giving real service to the Town—regardless of how he voted, his color or creed—need have the slightest fear of his job as long as there is money to do it, as long as there is money to pay them. Also you members of the Board, I understand no real accurate method of cost accounting exists on the work you do. If that is so why not start now; it is the only way to check up on your head man.

P.S. About that 10 percent donation from the pay of all Town employees, understand the conditions have been changed. Anyone who is not affected. Also in no case is the 10 percent to reduce the amount received to below \$15.00. Last year if a man worked one day he had 10 percent of that day's pay taken off.

P.S.S. The Town Accountant has the new chart of Town appropriations, expenditures and debts list for you. It shows them itemized into the various uses and by Departments and covers a five-year period from 1929 to 1933. Interesting! Get the dope on what your Town does for you and what it costs.

I'M A TELEPHONE, to be sure, but that's just another way of saying I'm an A-Number-One watchman.

Emergencies happen, you know, in even the best regulated families. There are such things as unwelcome prowlers, sudden illnesses, and fires.

Now, let us hope no such things will happen in your home. But in case they did, it would be mighty convenient to have me around—especially if it were the middle of the night.

And it costs so little to get me—I'll come for 10 cents a day or even less.

Come in or call our Business Office to ask about service. You can call us without charge from any Public Telephone.
